You dealt this hand. Decide what you would bid, then on BID above.

You open with a Weak 2-Bid, 2 ♦. Partner responds 2 NT. What do you say next?

The 2 NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3 ♥. Partner now bids 3 NT which you naturally pass.

Decide what you would bid, then on BID above.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2 NT bid is such a great tool. In this case you bid 2 NT and partner says 3 ♦. What do you say?

You weren't sure whether to take partner to game or not. His 3 ♦ bid tells you that he has a 9-11 point opener which includes the ♦ K. You couldn't hope for much more than that, so you bid 4 ♠.

Decide what you would bid, then on BID above.

You have a good Weak 2-Bid but West already opened. So you just make a Weak Jump Overcall of 2 ♠. East passes and partner raises to 3 ♠. West passes. What do you say?

Pass. Partner is in charge. If he had wanted you to bid again he could have forced you with 2 NT.

They shouldn't really be this easy. You bid 2 NT and partner replies 3 NT. What do you say?

You pass of course. Partner's 3 NT says his suit is A K Q x x x and you can therefore count 9 top tricks.

Decide what you would bid, then on BID above.

You have a perfect 2 ♦ opening except for one thing. Well, except for four things really, those four ♠s. So you pass. Then partner opens 1 ♠. What do you say?

Well, we have passed out of the realm of Weak Twos and into Major Suit Raises! No problem, it's all Bridge. You make a limit raise of 3 ♠ and partner bids 4 ♠.

Decide what you would bid, then on BID above.

You know partner must have the ♠K since he wouldn't open a Jack-high suit. You need to find out if he has an outside Ace. So you bid 4 NT and he answers 5 ♦.

Partner has one Ace. Bid 6 ♠.
