NORTH has a perfect hand for an opening bid of 2 .

SOUTH will be tempted to respond with his opening hand and good trump support, but he should

resist the temptation. To raise a Weak Two-bid to game you should have quick winners, not just points.

SOUTH has the same hand as in Deal 1 and again
opens 2 .

This is the type of hand NORTH needs to bid game.
Notice that even with all those winners the

pair is nowhere close to having a slam. The will
probably make just ten tricks.

Once more, NORTH has the same hand as Deals 1 and 2.

This time SOUTH has a very poor hand without any chance of making game. However, he should bid

4 anyway.

It is very likely that the opponents can make 4

if West gets the

opportunity to get into the bidding. Hopefully the 4 bid will shut him out, and 4 probably

won't go down more than a couple of tricks.

SOUTH has a pretty normal preemptive 3

bid.

NORTH has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if NORTH is unable to reach the SOUTH hand.

NORTH should assume SOUTH can win six tricks if

s are trumps. Thinking this way points NORTH to her

best call - PASS.
