NORTH thinks slam may be possible, so she uses Blackwood.

And that's what Blackwood is really good for - keeping you out of slams when you are

missing two Aces!

6 ♥ by South

## Baker Bidpractice/Set7 20

SOUTH knows NORTH has at least five and they might provide discards for two or three

of her minor suit losers.

She tries Blackwood and, sure enough, NORTH comes through with two Aces.

Even with all the Aces SOUTH knows there are not enough points for Grand,

so she bids 6

## Baker Bidpractice/Set7 21

When SOUTH answers Blackwood with one Ace  
NORTH decides to bid 5NT to ask for Kings.

With two Kings, SOUTH would bid 6

.

But she knows that if she does so, NORTH might  
stop right there.

Knowing the 5NT bid guarantees all four Aces,  
SOUTH figures her suit will

supply five tricks so she bids 7

.

Baker Bidpractice/Set7 22

SOUTH thinks there might be slam if NORTH holds both minor Aces, so he tries Blackwood.

When NORTH shows just one Ace SOUTH is afraid he will have a trump loser as well, so

he stops at 5

.

It turns out that SOUTH might make twelve tricks, depending on the

K situation.

7 NT by South

Baker Bidpractice/Set7 23

SOUTH might be tempted to blast into Blackwood with his first bid, pushing toward some slam

in

s. He chooses to temporize with a 1

response and is rewarded when NORTH jumps to 2NT (18-19 points).

The Notrump bid prevents SOUTH from using Blackwood, but Gerber 4 ♣ will work just fine.

When he discovers that NORTH holds three Aces and one King he can count thirteen tricks.

6NT by North

Baker Bidpractice/Set7 24

SOUTH responds 2NT, showing 8+ points with no 5-card suit.

NORTH only needs to know how many Aces are in the SOUTH hand. He must use Gerber since

4NT in this situation would not be Blackwood.

When SOUTH shows two Aces NORTH bids 6NT.
