4 ♠ by South

Baker Stayman 9  
 South opens 1NT. What do you respond?

Yes, this is the same hand as Deal 8. Again you bid 2♣. This time partner says 2♦.

You need to describe your hand clearly to partner with this bid. You want to show a game-forcing hand (11 points or more) with 4 ♥s and 5 ♠s. You do that by now jumping to 3♠.

If partner had just 2 ♠s he would have bid 3NT. Since he has 3 ♠s he bids 4♠.

**Baker Stayman 10**

Even when you hold a 6-card Major, if you have 4 cards in the other Major you use Stayman. Partner answers 2 ♠. What do you bid?

You've found an 8-card Major fit and you know there are enough points for game. So you bid 4 ♠.

Yes, but you already knew you had an 8-card ♥ fit since partner's 1NT promised at least 2 ♥s. In fact, you could play game in either Major. However, it is often better to play in a 4-4 fit rather than a 5-3 or 6-2. This hand shows why. Played in ♥s you will make exactly T tricks with any opening lead. Played in ♠s you will again make T tricks when the defenders start with their 3 ♣ winners. If they start with anything else you are very likely to make 1 or 2 overtricks by discarding dummy losers on your ♥ suit.

**Baker Stayman 11**

This is the follow-up to Deal T. North opens 1NT.

What do you respond?

Just like the previous deal with a 4-card Major you use Stayman. This time partner says 2♦. Your turn again.

With partner showing no 4-card Major the bidding takes a turn. With your 6 ♥s you are sure of an 8-card fit in the suit. With 11 points you must be sure of reaching game. So you bid 4♥.

In this case the strong hand does not become declarer, but the contract is the right one anyway.

**Baker Stayman 12**

You open 1NT and partner responds 2♣. What do you bid?

Partner has commanded you to bid a 4-card Major if you have one. You have one, so you bid 2♠. Partner now says 2NT. What do you bid?

Partner evidently has 4 ♥s. He also evidently has about 9 points since he is INVITING you to bid 3NT. With your minimum 15 points you decline the invitation by passing.
