Your 2 ♥ response shows 8+ points, with at least 5 ♥s. Decide what you would say next, then on BID above.

Your hand is looking better and better. You already gave a positive response so you know you are forced to game. It is better to keep the bidding low to allow more investigating room so you bid 3 ♠. Partner bids 4 NT. What is your response?

With ♠s agreed as trumps you have two Key-Cards, the ♠ K and the ♥ A. With no trump Queen you respond 5 ♥. Partner now says 5 NT. What do you reply?

Partner is asking for Kings and you have just 1, the ♥ K. Remember, the ♠ K is not a King, it is a Key-Card which you have already counted. So you bid 6 ♦. Partner counts 13 tricks and bids 7 NT.

Partner's 3 ♠ is a limit raise, 11-12 points and good ♠ support. Decide what you would say next, then on BID above.

What you DO NOT say next is 4 NT. If partner answered 1 Key-Card you would not know what to do. If he has a red Ace you can make slam, but if his one Key-Card were the ♣ A you couldn't. Instead you make a control-showing bid of 4 ♣, promising first round control. Partner obliges you by bidding 4 ♥. What is your next bid?

&lt;/table&gt;

Partner's bidding is like the Sherlock Holmes tale Silver Blaze, about the dog that didn't bark. Partner's ♥ bid shows that he DOES have the ♥ A, but equally important it shows that he DOES NOT

have the ♦ A. So you know you don't have a ♥ loser but do have a ♦ loser. You bid 6 ♠.
