6NT by South

Baker Bidpractice/Set3 11

With balanced distribution and 16 points NORTH
should open 1NT rather than 1

SOUTH's response is based on simple math. He adds
his 18 points to the 15 minimum that NORTH has
announced and

comes up with 33 points combined. This is enough
for a small slam, and since he has balanced
distribution

he bids 6NT.

3NT by West

Baker Bidpractice/Set3 12

WEST is right at the maximum for a 1 opening bid -
one more point and he would

have opened 2 .

EAST does not have 3-card support but with 7
points must make some response.

She cannot bid at the 2-level so she says 1NT (6-10
points).

WEST is fine with Notrump so he bids 3NT.

6 ♠ by North

NORTH has heard enough and bids 6 .

Baker Bidpractice/Set3 13

SOUTH has a minimum 1 opening bid - 13 points and five trumps. She doesn't even suspect

what's about to befall!

NORTH hears the 1 bid and all he wants to know is whether SOUTH has one, two or three Aces.

So he uses the Blackwood convention, 4NT.

SOUTH has two Aces so she bids 5

(5 would show zero Aces,

5

would show one Ace, etc).

4 ♥ by North

since two trumps is now adequate support.

Baker Bidpractice/Set3 14

WEST has an above-minimum strength hand with a good 6-card suit. He opens 1

.

EAST, with 9 points, is a little too weak to bid at the 2-level so she bids a catchall 1NT.

WEST shows his 6-card suit and extra strength by jumping to 3

, which

EAST raises to 4

2 ♠ by South

Baker Bidpractice/Set3 15

NORTH has 14 points and opens her 4-card ♠ suit.

SOUTH must respond, and with two 4-card Majors bids them "up-the-line", saying 1

.

NORTH now shows his 4-card ♥ suit, and SOUTH again must bid. Since SOUTH is pretty weak he just

raises to 2 ♠ which NORTH happily passes.
