6♥ by South

Baker Blackwood 5

Partner opens a Weak 2-bid and catches you with a blockbuster. The only thing you want to know about his hand now is how many Aces he has. So you bid 4NT. Partner answers 5♥. What do you bid?

That makes it simple, with 2 Aces you bid a confident 6♥. If he had 1 Ace you would have bid an also confident 5♥. If he had zero Aces you would have been in a spot of trouble. And if he had 3 Aces you would have asked him how he could open a Weak-2 with that many points.

6 ♥ by South

Baker Blackwood 6

You MIGHT say that with 13 points and partner controlling the ♣s you could jump to 2NT, "To show you my points, partner." You might say it but you won't because your first priority is to look for a Major suit fit. You bid 1 ♥ (skipping ♦s with the two Majors). Partner now jumps to 4 ♥. What do you say?

Partner says you can make game even if you have a minimum 6 points. So he must have about 20. So you think you can make slam and you bid 4NT. Partner answers 5 ♥. What do you bid?

Partner shows 2 Aces so you bid 6 ♥.

6NT by South

Baker Blackwood 7
 You dealt this hand.

You have 20 points and it would not be terrible to open 2NT. However, strictly speaking you shouldn't open 2NT with two doubletons. So you open 1 ♦. Partner responds with a jump to 2NT. What do you bid?

With partner's 13-15 added onto your 20, bidding 6NT would be a reasonable bid. However, it costs nothing to check for Aces first, so you bid 4 ♣. (Everybody agrees this is Gerber, right?) Partner answers 4 ♠. What do you bid?

Easy, missing one Ace you bid 6NT.

6NT by South

Baker Blackwood 8
You dealt this hand.

With 13 points and a good Major suit you naturally open 1 ♠. Partner responds 3 ♥. What do you bid next?

We are playing strong jump-shifts by Responder so partner is showing 17+ points. However, you are still stuck with your minimum opening so you just rebid 3 ♠. Partner bids 4NT. What is your reply?

He asks for Aces so you bid 5 ♥ showing 2. He now bids 5NT. What do you say?

You have no King. So you reply 6 ♣ and partner bids 6NT (safer than 6 ♠).
