This is a sign-off hand. If West hadn't bid you would either have bid 2♠, which partner would have passed, or 2♥, transferring partner to 2♠ which YOU would have passed.

With lebensohl you can do the same thing, so you bid 2♠ and partner passes.

Partner's bid at the 3-level is forcing to game and shows a 5-card ♠ suit.

With 3-card support you are happy to bid 4♠.

With 12 points opposite partner's 15-17, this is a forcing-to-game hand, so you bid 3♥. Don't think of it as a jump, just a 3-level bid showing at least 10 points and a 5+ card suit.

Partner has 3-card support and is happy to bid game in that suit.

Partner's bid at the 2-level is a sign-off, the equivalent of the old "drop-dead" response.

So even with your great support and maximum hand, you pass.

With 11 points opposite partner's 15-17, this is a forcing-to-game hand, and it is possible that a jump to 3NT (which says you have no ♣ stopper) would work. However, with two 4-card Major suits you should use the lebensohl equivalent of Stayman, which is a cue-bid of 3♣.

Partner bids 3♥. What do you say?

With a known 8-card Major fit and a known 26-28 points you bid 4♥.
