Baker Cue-bid 5

You would have bid 2 ♠ if East had not overcalled.

Instead, with 4 trumps you can jump to 3 ♠ as a preemptive measure. Partner will not mistake this for a limit raise since you would have cue-bid with 11+ points and support.

The jump to 3 is based on the Law of Total Tricks - bidding to a trick level equal to the number of your side's trumps.

Baker Cue-bid 6

Partner has a limit raise or better in ♥s, 11 points or more.

You, however, have a bare-bones minimum. So you rebid a minimum 3 ♥, which partner passes.

4 ♠ by North

Baker Cue-bid 7

You have 14 points in support of ♠s; however, partner's overcall does not promise more than 9 points or so.

So you cue-bid 2 ♥, showing a good hand with support and forcing partner to bid again. Partner bids 3 ♠. What do you say?

4 ♠. Partner's jump shows a good overcall, but not enough strength to insist on game when you might have only 11 points. You have plenty extra so you bid the game.

Baker Cue-bid 8

Partner has a limit raise or better in ♠s, 11 points or more.

There is only one thing you want to know now - how many Aces partner holds. So you bid 4NT to find out. Partner responds 5♥. What do you say?

You know you have a loser. Bid 6♠.
