Baker Jacoby 1  
It is your bid.

You open 1♠ and partner responds 2NT. What do you say next?

With a minimum hand and no singletons you bid the game immediately. Partner has nothing to add so he passes.

4 ♠ by North

Baker Jacoby 2  
It is your bid.

With 14 points and good 4-card support you bid a Jacoby 2NT. Partner next bids 3 ♥. What do you say now?

You couldn't hear much worse news. Partner has a singleton ♥ so your ♥ K J are not worth very much. You have nothing to do but return to the trump suit so you bid 4 ♠.

Baker Jacoby 3  
 It is your bid.

You have just a little extra so you bid 3 ♣ to show a singleton. Partner says 3 ♥ and it is your bid again.

Partner's bid means he has first round ♥ control, obviously the ♥ A. But it also denies holding the ♦ A since control bids are made up-the-line. You show your lack of a Minor suit Ace by returning to 3 ♠. Partner signs off at game.

You could equally have just bid 4 ♠ yourself.

Baker Jacoby 4  
It is your bid.

With opening hand and 4-card ♠ support this is an ideal Jacoby 2NT response. Partner says 3NT.

South has some extra strength and a 5-card ♠ suit. This is the point in the bidding where you would make a control bid, showing an Ace. Well, you would if you actually had an Ace. The way you indicate your lack of a control is to just return to the agreed trump suit. So you bid 4 ♠ and partner passes.

Baker Jacoby 5  
It is your bid.

You show an above minimum hand with 6 trumps by bidding 3♠. Partner bids 4♠. What do you say next?

Partner would have shown a red Ace if he had one. Since he doesn't have one, all thoughts of slam are off. You pass.

It is your bid.

With 15 points and four of partner's suit you naturally bid 2NT. Partner now jumps to 4♥. What do you say?

Partner's rebid of 4♥ is not strong. He is using the Principle of Fast Arrival to indicate a minimum opening hand. Since you have nothing extra you pass quietly.
