**Baker Overcalls 1**

The bidding has been as shown. It is your turn.

Decide what you would say, then on "" above.

You have 14 points but so what. You have no 5-card suit to Overcall. You cannot make a Takeout Double with 4 of their suit. So you pass. It is important to realize that there are hands you would open but cannot overcall with.

**Baker Overcalls 2**

The bidding has been as shown. It is your bid. What do you say?

With four trumps and 12 points you have a text-book raise to 3♥. Partner had a minimum overcall though, so he passed.

**Baker Overcalls 3**

The bidding has been as shown. It is your bid.

With 12 points and a good suit you have a very solid overcall so you bid 1♥. Partner responds 2♥. What do you say?

Partner is showing 6-10 points and three trumps. Your hand revalues to 14 at most so you pass.

**Baker Overcalls 4**

The bidding has been as shown. It is your bid. What do you say?

You really don't like partner's ♠s, and you do have 8 points. But 8 points is not enough to be considering game, and you would have to bid your ♥s at the 2-level. All things considered it is better to pass while you still aren't doubled.

**Baker Overcalls 5**

The bidding has been as shown. It is your bid.

You overcall 2♥ and hear partner raise you to 3♥.

What do you say now?

No matter how many times you check this hand you cannot revalue it any more than 13 points. Since partner has T at the most you reluctantly pass.

**Baker Overcalls 6**

The bidding has been as shown. It is your bid. What do you say?

With only 7 points you might not think you have enough to make a "free bid". But in competitive bidding situations like these, where both sides have a fit, bidding is usually better than passing. So you bid 2 ♠.

You might look at the Law of Total Tricks lesson for more on this subject.
