S.

Baker Bidpractice/Set8 5

SOUTH has interest in slam after she hears

NORTH's Limit Raise.

BUT, she should not use Blackwood holding two quick losers in the

suit.

Instead she makes a Control showing bid of 4 (Not Gerber since it didn't follow a NT bid.)

NORTH cooperates by making a Control bid of 4

.

SOUTH stops at 4 because neither partner controls

If SOUTH had just one Key-card, NORTH would bid 5

over the 5 reply.

Baker Bidpractice/Set8 6  
NORTH decides it is unlikely that SOUTH is  
Aceless, so all he wants to know is the number of  
Aces SOUTH does have.

He invokes RKC Blackwood.

Since no trump suit has been agreed, SOUTH bids as  
if

s, the

last-bid suit prior to 4NT is agreed. SOUTH has two  
Key-cards plus the trump Queen, so she bids 5 .

NORTH bids 6

This is the companion to Deal 6. The cards are the same except that the

s and have been swapped.

Again, NORTH has no problem as long as SOUTH holds at least one Key-card.

When SOUTH responds 5 (showing one Key-card), NORTH can pass.

That's what happens here.

Baker Bidpractice/Set8 8

NORTH needs to know how many Aces SOUTH holds.

One way to find out would be to bid 3 (which is forcing), then launch Blackwood.

Another way is to bid 4 (Gerber) right now.

The first way is probably better but we needed a Gerber example.
