Pass	3NT	All Pass	2NT

3NT by North

Baker 2over1 1

After South's 1♥ opening North counts 12 HCP plus one length point for the fifth ♦. That is enough for a 2/1 response so North says 2♦.

The partnership is now forced to reach game so South bids 2NT. This describes a balanced hand with exactly 5 ♥s and no 4-card ♠ suit.

North is happy to play in Notrump, and with no extra strength above the 13 points already promised, uses Quick Arrival and bids 3NT. South passes and a reasonable game contract is reached.

Notice that you would bid this hand the same way whether or not you play 2/1.

All Pass			

4♥ by South

Baker 2over1 2

South opens 1♥ and North, with 16 points, responds 2♦, forcing the partnership to game.

South has a minimum strength hand, but with a 6-card suit he rebids 2♥.

Opposite South's 6-card suit, North's doubleton is adequate support. If North had a minimum for her 2/1 response she might just jump to 4♥ to show no interest in slam. With a little extra she bids 3♥ since she knows the bidding cannot stop until game is reached. From North's perspective South might have a big hand; his 2-level rebid shows suit length but does not say anything about strength. This is one of the beauties of 2/1, the bidding can be kept low while you look for the best place to play. However, this time South merely bids the game and North passes.

The hand would have been bid the same with or without 2/1.

With 16+ points and 3 ♥s, North will insist on a ♥ game at a minimum. But there is no need to start making jump bids, she starts with a simple 2♦ bid. South also refrains from a jump, and rebids 2♥ to show the 6-card suit.

North now says 3♥ to set the trump suit. At this point South reveals some slam interest, making a control-showing bid of 4♣. North continues the process, and bids 4♦, showing the ♦A.

South has heard enough. He bids 4NT, and when North admits to two Aces he bids the slam.

2♠ by South

Baker 2over1 4

South has a minimum 1♠ opening bid. After West's 2♦ overcall both South and North know that the 2/1 Game Force is no longer on. North can therefore bid 2♥, showing at least 11 points. This bid is forcing on South for 1 round, but not forcing to game.

South next rebids his ♠s, promising a 6-card suit, but also indicating a minimum strength hand! Since the Game Force is not on, South would have to make a jump bid to show extra strength.

North has nothing further to say so the partnership arrives in a safe contract.

North opens 1 ♠ and South, with 14 points, responds 2 ♥. Note that South is not permitted to make this bid without a 5-card or longer ♥ suit.

North, knowing that South has 5, bids 3 ♥ to confirm the trump suit.

South has a minimum strength hand with no slam aspirations, so he uses Fast Arrival and bids 4 ♥. North is also satisfied to just play at game.

2/1 is a good bidding method, and here, 4 ♥ is a good contract. But you can see that it is not a laydown - there is no bidding system that will always reach T0% contracts. In this hand a 3-3 ♦ split will provide the Tth trick, or if that fails, taking 2 ♠ finesses provides a 75% chance of success.

4 ♥ by South

Baker 2over1 7

South has 13 points and naturally opens 1 ♠.

North, with 15 points, would bid 2 ♥ in standard bidding, but with 2/1 this promises a 5-card suit. So instead, North responds 2 ♣, forcing the partnership to game. Note that holding two 4-card minors North bids them up-the-line, just as in standard bidding.

South has a nice 6-card ♠ suit, so you might think he would rebid them. But Opener's first responsibility with his second bid is to show a 4-card Major if he has one. This isn't much of a suit, but South still bids 2 ♥.

You can see why it is important for Opener to show a 4-card Major. Since North couldn't bid ♥s in her first response the fit would have been lost if South had not mentioned the suit. North now confirms the trump suit with a 3 ♥ bid, and South shows his minimum by just bidding the game.

might be a misfit - the initial 2/1 response unconditionally forced the partnership to reach a game somewhere.

Baker 2over1 8

North opens 1♥, his 5-card Major. South, with 14 points, naturally responds 2♦, forcing the partnership to game.

North next bids 2♠, showing the other Major suit. In standard bidding North would not be able to bid the ♠s since that would be a Reverse and North is far too weak to Reverse. But after a 2/1 Response the concept of a Reverse does not apply, and the priority of showing a 4-card Major certainly does apply.

South assumes North to be 4-5 in the Majors, so she cannot support either. She bids 2NT. If North actually has 6♥s (or 5♠s) he will rebid the suit. South's 2NT bid guarantees a stopper in the fourth suit.

North does not have either 6♥s or 5♠s so he just bids 3NT. Notice that North never once considered the possibility of passing what

South opens 1 ♠, his 5-card Major. North, with 14 points, responds 2 ♣, a 2/1 force to game.

South next bids 2 ♥, showing the other Major suit.

North assumes South to be 5-4 in the Majors, so she cannot support either. She cannot bid 2NT without a stopper in ♦s. So North bids the fourth suit, 3 ♦, telling South she knows she must make a bid, but can't find anything appropriate.

South now must find a bid. His choices include rebidding the 5-card ♠s, supporting North's ♣s with a doubleton Queen, or bidding 3NT with the ♦ K 6 as a stopper. He chooses this last option. It appears that 3NT is the best game for these two hands.

6 ♥ by South

South will have to pull trumps and play to discard a loser on the ♠ T.

Baker 2over1 13

North opens 1 ♠. South has a powerhouse, plenty strong enough to jump-shift. But playing 2/1 it's usually simpler when you make the 2/1 response, and save your jumping for later - if at all. So South bids just 2 ♥, knowing North must keep the bidding open.

North knows South has at least 5 ♥s, so his first priority is to agree on the trump suit. He bids 3 ♥.

South now makes the slam try. She knows North has at least three trumps, and all she wants to find out is how many Aces/Kings North holds. So she bids Blackwood and North confesses to two Aces.

Still hoping for the Grand, South bids 5NT. Oops, North doesn't have any kings so South settles for a small slam.

This is a good slam, cold if West makes any opening lead other than a ♣. With a ♣ lead,

	1 ♠	Pass	1NT
Pass	2 ♣	Pass	2 ♥
All Pass			

2 ♥ by South

Baker 2over1 15

North opens 1 ♠. South has 11 points, enough to respond 2 ♥ in standard bidding, but not when using 2/1. So she bids 1NT.

North would love to pass 1NT but is not permitted to do so. He has no good bid, so he must bid a 3-card suit. When holding two 3-card minors, usually bid ♣s. South now shows the ♥ suit that she could not bid first round.

North was forced to reply to 1NT, but he is not forced to bid again. With his minimum hand and a tolerance for partner's suit he just passes and the partnership ends up in a reasonable contract.

This hand demonstrates one of the benefits of Forcing 1NT. In standard bidding South's first response would be 2 ♥, and North would have to bid again, probably 2NT. The partnership

might go even higher but in any case would probably not reach a good contract.

Pass	4 ♠	Pass	
4 ♠ by North			

Baker 2over1 20

South opens 1 ♠. North responds 2 ♦, a 2/1 force to game.

South has a big hand, perhaps in the slam range, but first priority is to set a trump suit. So she contents herself with a rebid of 2 ♠. North agrees on trumps by bidding 3 ♠ (not Fast Arrival).

South now makes her slam try by using a Control-showing cue-bid. She bids 4 ♣, showing first round control of the suit (Ace or Void).

North's next bid would be a control-showing bid of her own - IF SHE HAD ONE. Since she cannot win the first round of either red suit she just returns to 4 ♠. South realizes that they are off two red Aces and passes.

Notice that South did not fall into the Blackwood trap. If she HAD asked for Aces, North would have shown one Ace and South wouldn't know what to do next. She might have figured the odds favored that one Ace being a red one and tried the slam. Moral: Don't use Blackwood when you have a void.

3NT by North

Baker 2over1 21
North opens 1 ♠. South responds 2 ♦, a 2/1 force to game.

North's priority is to now show the 4-card ♥ suit. Remember that South might also have 4 ♥s.

South doesn't have 4 ♥s, nor does she have 3 ♠s. She does, however, have stoppers in ♣s so she bids 2NT. North happily says 3NT.

3NT by South

Baker 2over1 22

South opens 1♠. North responds 2♦, a 2/1 force to game.

South's priority is to now show the 4-card ♥ suit. Remember that North might also have 4 ♥s.

North doesn't have 4 ♥s, nor does she have 3 ♠s. Furthermore, she does not have stoppers in ♣s so she cannot bid NT. Since she has to keep bidding, but has no reasonable bid she can make, she bids the fourth suit, 3♣. Compare this Deal with Deal 21.

South understands that North's ♣ bid is Fourth-Suit-Forcing, and does not actually show ♣s. However since South does have a ♣ stopper he bids 3NT. In this case this turns out to be the best game contract.

2♠ by North

Baker 2over1 23

North passes and South opens 1♠.

North now bids 2♦. Since North originally passed this is NOT 2/1 Game Force. Instead, it is forcing for one round and shows 11 or more points.

South next shows her 4-card ♥ suit. North gives a preference to 2♠.

Knowing that North does not have opening strength South passes 2♠.

2♠ by North

Baker 2over1 24

South opens 1♠. With 9 points and a doubleton ♠ North must respond 1NT.

In standard bidding South would happily pass a 1NT response. But in 2/1 the 1NT response is forcing for 1 round. South is forced to bid a 3-card minor so he says 2♣.

North prefers ♣ over ♠ but must allow for the possibility that South has bid a 3-card suit. So North gives a preference to 2♠. This is called a "false preference", but it assures the team of being in at least a 7-card fit.

South happily passes and the pair lands in a reasonable contract, probably better than 1NT.

good slam, needing only a decent ♠ break.

Baker 2over1 25

North opens 1 ♠. South has a mountain, but there is seldom a need to jump-shift when using 2/1. He bids 2 ♥.

North's priority on her first rebid is to agree trumps if possible. Knowing South has at least a 5-card suit, she bids 3 ♥.

South naturally feels slammish, and shows it with a control-showing cue-bid, 4 ♣. Do not even THINK this might be Gerber.

North doesn't have any extra strength, but that doesn't matter. With North making a slam try she should cooperate by showing her ♦ control. It is important to realize that North isn't showing any extra strength, she is merely going along with South.

South asks for Aces and gets two. He decides to find out about Kings, if North happens to have three he will bid 7NT. When North shows just one South settles for 6 ♥. This should be a

4 ♠ by South

Baker 2over1 26

South opens 1 ♠. With 11 points North cannot respond 2 ♣. So she bids 1NT, which is forcing for 1 round.

South's first priority is to show a 4-card ♥ suit. Since he doesn't have one his next priority is to rebid the 6-card ♠s.

North is strong enough to invite, and with the known 8-card fit she says 3 ♠.

South has a little extra so he bids 4 ♠, which is a pretty good contract.

4 ♠ by North

Baker 2over1 27

South opens 1 ♠. Perhaps a little marginal, but you don't pass 13 point hands. North has a good 2/1 response of 2 ♣.

South's first priority is to show a 4-card ♥ suit, so he does. North wouldn't dare support ♥s with only three cards, but has a good 2NT bid.

South is not happy in notrump so rebids the 6-card major, 3 ♠. North's two ♠s are enough support so she bids the ♠ game.

3 ♠ by North

Baker 2over1 28

South opens 1 ♠. North cannot say 2 ♥ because he only has 11 points, and also because he only has 4 ♥s. So he bids 1NT (forcing for 1 round).

South rebids 2 ♣, a 3-card suit. North now jumps to 3 ♠, showing limit-raise strength. This sequence is the way to show a limit-raise with only 3 trumps; an immediate jump-raise to the 3-level shows a limit-raise with 4 trumps.

In any case South has a bare minimum and passes the invitation.
