**Baker Overcalls 19**

The bidding has been as shown. It is your bid.

With a good 6-card suit and 10 points you make a Weak Jump Overcall to 2 ♦. Partner says 2NT.

The 2NT bid is a standard response to a Weak 2-bid. It asks for the identification of any outside high-card if the Weak 2-bidder has more than a minimum. Here you are in the top range for your bid so you show your ♥K.

That was apparently the missing link for partner, he now says 3NT.

## Baker Overcalls 20

The bidding has been as shown. It is your bid. What do you say?

You might just try 4 ♠. Of course if partner has a minimum Weak Jump Overcall that will get you much too high. A better approach is to ask for more information from partner. The bid that asks is 2NT. Partner replies 3 ♦.

Partner's 3 ♦ bid tells you two things. One, he is in the top half of his 6-11 point range. Two, he has a high card (Ace or King) in ♦s. When you construct a hand for him which contains 6 pretty good ♠s and the ♦A you come up with a hand which will probably make game. Bid 4 ♠.
