6 ♠ by North

NORTH has heard enough and bids 6 .

Baker Bidpractice/Set3 13

SOUTH has a minimum 1 opening bid - 13 points and five trumps. She doesn't even suspect

what's about to befall!

NORTH hears the 1 bid and all he wants to know is whether SOUTH has one, two or three Aces.

So he uses the Blackwood convention, 4NT.

SOUTH has two Aces so she bids 5

(5 would show zero Aces,

5

would show one Ace, etc).

since two trumps is now adequate support.

Baker Bidpractice/Set3 14
 SOUTH has an above-minimum strength hand with a good 6-card suit. He opens 1

NORTH, with 9 points, is a little too weak to bid at the 2-level so she bids a catchall 1NT.

SOUTH shows his 6-card suit and extra strength by jumping to 3

, which

NORTH raises to 4

Baker Bidpractice/Set3 15

SOUTH has 14 points and opens her 4-card suit.

NORTH must respond, and with two 4-card Majors bids them "up-the-line", saying 1

.

SOUTH now shows his 4-card suit, and NORTH again must bid. Since NORTH is pretty weak he just

raises to 2 which SOUTH happily passes.

6NT by South

Baker Bidpractice/Set3 16

SOUTH has a maximum 17 point 1NT bid.

NORTH, with 16 points, can't tell if there are enough points for slam. If SOUTH has

17 points then a slam should be makeable, but if SOUTH has only 15 points then he

should settle for game.

The 4NT raise solves the problem. It tells SOUTH to bid 6NT with 17 points, pass

with 15 points, and use best judgment with 16. Here SOUTH bids the slam.
