Baker Cue-bid 9

You have 12 points in support of ♥s; however, partner's overcall does not promise more than 9 points or so.

So you cue-bid 2 ♣. Since the opponents have bid two suits you can cue-bid either one of them, so you usually pick the one you have the most strength in. Partner bids 2 ♥. What do you say?

Pass. Partner had a minimum overcall so he made a minimum rebid.

**Baker Cue-bid 10**

You have about 15 points in support of ♥s so you cue-bid 3 ♣, showing a limit raise or better and forcing partner to bid again. Partner bids 4 ♥. What do you say?

5 ♣. Partner's jump shows a good hand and you have more than you have promised so far. This cue-bid is a different type, showing first round control in ♣s, Ace or void. That was apparently what partner wanted to hear since he went right to slam.
