4 ♠ by North			

You open 1 NT and partner responds 2 ♣.
What do you bid?

When you have 4 cards in both Majors
you respond 2 ♥. Partner bids 2 NT. What
is your next bid?

Partner would never bid Stayman
without a 4-card Major. Since he did not
like your ♥ bid it is clear that his 4-card
Major must be ♠s. His 2 NT bid was an
invitation for you to bid 3 NT, which
means he has about 9 points. Knowing
that partner has 9 points and 4 ♠s, your
call is clear : 4 ♠.

1 NT

2 ♦

3 NT

You open 1 NT and partner responds 2 ♣.
What do you bid?

You do not have a 4-card Major. So your
correct response is 2 ♦. Partner bids 2 ♥.

Partner has described a hand with 4 ♠s
and 5 ♥s. You don't know his strength but
it must be at least 9 points. You know
that you have just a 7-card fit in both
Majors, and since you have a full 17
points you bid 3 NT.

1 NT

2 ♦

4 ♥

You open 1 NT and partner responds 2 ♣.
What do you bid?

Your 2 ♦ response tells partner you have
no 4-card Major suit. Then he bids 2 ♥.
What do you say next?

Partner knows you do not have 4 ♥s, but
he bid the suit anyway. He must have 5 of
them and he must also have 4 ♠s (since
he used Stayman). But it's the ♥s you are
interested in. Partner has 5 and you have
3. So you know of an 8-card Major suit
fit. And you also know you have a
maximum 1 NT opening. So you say 4 ♥.

3 NT by South

With a balanced 20 points you open 2 NT and partner responds 3 ♣. What do you bid?

Stayman applies after a 2 NT opening, just one level higher. With no 4-card Major you bid 3 ♦. Partner next bids 3 ♠. What do you bid?

Partner is showing 5 ♠s and 4 ♥s. In neither case would you have the 8-card fit you need. So you bid 3 NT.

3 NT
Pass

You open 2 NT and partner responds 3 ♣.
What do you bid?

With 4 cards in each Major suit you bid
3 ♥. Partner puts you in 3 NT. What do
you do? Pass or bid?

You certainly do not pass. Partner's
Stayman bid tells you he has a 4-card
Major suit. His 3 NT bid tells you the suit
was not ♥s. Elementary, Watson, the suit
must be ♠s. So you convert the 3 NT bid
to 4 ♠.

If you want to make yourself happy you
use Stayman, just imagine playing 3 NT
after a ♣ lead!
