2NT by South

**Baker Bidpractice/Set1 7**

This time NORTH has a minimum 1NT opener; a balanced hand with 15 points.

SOUTH has 9 points; he knows that the partnership is somewhere between

24 (9 + 15) and 26 (9 + 17). So he invites with a 2NT bid.

NORTH, with a minimum, declines the invitation by passing.

2NT by South

Baker Bidpractice/Set1 8

SOUTH has a strong hand, 20 points and balanced distribution.

It is just right to open 2NT (20-21 points).

NORTH adds her 2 points to SOUTH's promised number of 20 or 21. Since she doesn't reach the

magic game number of 26 points she just passes.

3 NT by North

**Baker Bidpractice/Set1 9**

NORTH has an mid-range 1NT opener; a balanced hand with 16 points.

SOUTH has 9 points. He bids 2NT, asking NORTH to pass if she has 15 or bid 3NT if she has 17.

But NORTH has 16 points, which leaves her with no clear choice.

In this case she must decide whether her hand is a "good" 16 points or a "poor" 16 points.

Since her supporting cards are mostly 10's, 9's and 8's she figures it as "good"

and bids 3NT.

## Baker Bidpractice/Set1 10

SOUTH has 20 points and 4-4-3-2 distribution, so he opens 2NT.

NORTH has 8 points. She adds SOUTH's 20 or 21 for a total of 28 or 29, enough for game but

nowhere close to the slam requirement. So she bids 3NT and SOUTH passes.

West	North	East	South
Pass	2NT	All Pass	1NT

2 NT by North

Baker Bidpractice/Set1 12  
 SOUTH has a minimum 1NT opening hand -  
 balanced distribution with 15 points.

NORTH has 9 points, which is not enough to bid  
 game, but is worth making an invitational bid.

So she says 2NT.

Since SOUTH is minimum he declines the invitation  
 by passing.
