**Baker Reverse 1**

If you thought you couldn't bid 1 ♠ because it would have been a Reverse just think again.

A Reverse is when you bid a higher-ranking second suit at the 2-level. This is just normal bidding of suits up the line.

Partner now takes control and bids the ♠ game.

**Baker Reverse 2**

Don't bid 2♥. That would be a Reverse, showing at least 17 points. A 2♥ bid would also show longer ♣s than ♥s. Don't bid 2♠. That would be showing 4-card support.

So with your minimum hand you bid 1NT which partner raises to 3NT.

**Baker Reverse 3**

At your first turn you bid your ♥ suit, up-the-line.

Decide what you would say next, then on BID above.

You only have 7 points, but partner Reversed so you cannot pass. You need to make a bid to show your minimum, and you cannot support either of partner's suits, nor can you rebid your ♥s.

However, you also cannot bid your ♠ suit. That would be fourth-suit-forcing, and would show a game forcing hand of 9 or more points.

Instead you bid 2NT. Partner has a bare 17 so he passes.

**Baker Reverse 4**

With 18 points you have enough to make a Reverse.

So you bid 2 ♦. Partner now says 3 ♠. What do you bid?

Partner's jump bid shows a 6-card suit and enough points to insist on game. You don't have ♠ support but you do have good ♥ stoppers so you bid 3NT.

**Baker Reverse 5**

With his Reverse, partner has shown at least 17 points and at least 4 ♥s.

You could fall back on the guidelines and say that with 10 points you need to make a positive bid at this time, but it is simpler to just rely on "SHE WHO KNOWS, GOES."

Since you know of an 8-card ♥ fit and at least 27 points you bid 4 ♥.
