6NT by North

## Baker Bidpractice/Set3 16

NORTH has a maximum 17 point 1NT bid.

SOUTH, with 16 points, can't tell if there are enough points for slam. If NORTH has

17 points then a slam should be makeable, but if NORTH has only 15 points then he

should settle for game.

The 4NT raise solves the problem. It tells NORTH to bid 6NT with 17 points, pass

with 15 points, and use best judgment with 16. Here NORTH bids the slam.

Baker Bidpractice/Set3 17

NORTH has just 11 points, not enough to open the bidding.

But when SOUTH opens 1 NORTH should show her "almost opening strength"

by jumping to 3 .

SOUTH has just 13 points, and knowing NORTH has less than 13 he passes.

Baker Bidpractice/Set3 18  
After NORTH opens with 1

, SOUTH has a small "dilemma".

With 11 points she really is only strong enough to make a jump raise to 3

.

But, with five trumps the hand deserves more. So she just bids 4

instead.

Usually, no matter what your strength, when you have five cards in the Major suit that your partner opens with you should just jump right to game.

Baker Bidpractice/Set3 19

NORTH has 19 points, but no 5-card Major suit.

With two 4-card minor suits she should start

with 1

.

SOUTH has a poor hand, but with 7 points he must respond. His first priority is to show a Major suit

so he responds 1 .

NORTH now knows that ♠ will be trumps, so she revalues her hand to 21 points, enough for game.

She bids 4 .

## Baker Bidpractice/Set3 20

NOTE: There is a better way to bid this hand using special conventions.

NORTH has 17 points, but with a 5-card Major opens 1 rather than 1NT.

SOUTH isn't quite strong enough for a jump raise, so she bids 2 .

NORTH has enough extra to make a try for game, so she invites with 3 .

SOUTH has enough extra to accept the invitation, bids 4 .
