3 ♣ by South			

With 17 points you have a perfect hand for a Reverse. So you bid 2 ♦. Partner then says 3 ♣. What do you say?

Partner's return to your ♣ suit shows he has fewer than 9 points. Although it is possible to devise a hand for him where your side could make 3 NT, the risk is too great.

So you pass. It's a good thing, too.

You have 7 points, and basically nothing but s♥. You must make a minimum bid, and the only reasonable one is 2 ♥. Despite his 17 points, partner passes.

5 ♦ by South

You have an ideal hand for a Reverse, so you bid 2 ♥.

Partner now bids 3 ♦. What do you say?

Partner has a minimum hand, but at least he came up with a preference for ♦s.

There are no guarantees here, but you should probably try 5 ♦.

4 ♠ by South			

With 18 points you have enough to make a Reverse. So you bid 2♦. Partner now says 3♠. What do you bid?

Partner's jump bid shows a 6-card suit and enough points to insist on game. With your ♥ stopper you might be considering 3NT, but since you know of an 8-card ♠ fit you decide on 4♠.

Be very glad that you did. 3NT would go down with a ♥ opening lead while 4♠ is cold.
