5 ♣ by North

Baker Bidpractice/Set8 7

This is the companion to Deal 6. The cards are the same except that the

s and have been swapped.

Again, SOUTH has no problem as long as NORTH holds at least one Key-card.

When NORTH responds 5 (showing one Key-card), SOUTH can pass.

That's what happens here.

6 ♠ by West

Baker Bidpractice/Set8 8

WEST needs to know how many Aces EAST holds.

One way to find out would be to bid 3 (which is forcing), then launch Blackwood.

Another way is to bid 4 (Gerber) right now.

The first way is probably better but we needed a Gerber example.

7♠ by North

NORTH readjusts her thinking and decides to bid the Grand.

Baker Bidpractice/Set8 9

SOUTH's positive response shows 8+ points and five or more cards headed by at least two honors.

NORTH figures a small slam would be safe, but just to be sure she uses Blackwood.

SOUTH's 6

reply shows one Key-card which must be the trump King,

and a

void!

.

6♥ by East

Baker Bidpractice/Set8 10
 WEST jumps in

s, showing a good suit and slam interest.

EAST has great

support so bids RKCB 4NT.

WEST responds 5 showing two Key Cards and the

Q.

That is enough for EAST to bid the slam.

7NT by North

Baker Bidpractice/Set8 11

When SOUTH agrees to 5♦ NORTH will not stop short of a slam.

The RKCB 4NT bid tells NORTH that they have all five Key Cards since SOUTH could hardly

have a 2♣ opening hand with no Aces.

NORTH's 5♦

bid is the Queen Ask, and SOUTH's reply confirms that she holds

the ♠Q and also has the ♠K.

NORTH figures the ♣ suit will run, and this should be enough for Grand Slam. He chooses 7NT.

6♠ by East

Baker Bidpractice/Set8 12

EAST knows there are enough points for slam, but she is worried about the trump suit.

WEST's support doesn't guarantee more than three s, and if they are not headed

by the Queen she could lose a trump trick.

Her RKCB bid relieves her mind when EAST claims two Key Cards PLUS the Q.

She bids 6 (and hopes for a 3-2 trump split!).
