With 10 points and a great 6-card suit this is a perfect Weak 2-Bid. You open 2♦. East passes and partner jumps to 4♦. West passes. What do you say?

This is not an invitation to bid game. If partner had game interest he would bid 2 NT. Apparently he is trying to preempt the opponents out of their hand and apparently it is working. You pass.

You should pass. You have 15 points, and if partner has the maximum of 11 it seems you might be able to make a game. But your points are trashy points. What a Weak 2-bidder usually needs are Aces and Kings, while you have an assortment of Queens and Jacks.

You open with a Weak 2-Bid, 2 ♥. Partner responds 2 NT. What do you say next?
