4 ♥ by North			

North opens 1 NT. What do you respond?

You should bid 2 ♦ to transfer partner to ♥s. He bids 2 ♥. What do you say now?

You know you have at least an 8-card ♥ fit. You know you have at least 26 points (15 + 11). She who knows, goes, so you bid 4 ♥.

North opens 1 NT. What do you respond?

You transfer of course, but to which Major? It can work either way, but the preferred method is to first transfer partner to ♥s when you have an invitational hand. So you bid 2 ♦, and partner of course says 2 ♥. What do you bid next?

You now show your second 5-card Major by bidding 2 ♠.

At this point partner becomes the Captain. You have described an invitational (9 point) hand with 5-5 in the Majors. Partner's next bid should set the contract wherever he chooses. In this case, with a maximum 1 NT opener and 3 ♠s he picks 4 ♠.

Note that you must have at least one Major suit fit since partner cannot have a doubleton in both.

4 ♥ by North

after partner's game bid.

South opens 1 NT. What do you respond?

This is the sequel to Deal 6. You are 5-5 in the Majors again, but this time you have game forcing strength.

The preferred method for this hand is to transfer partner to ♠s, so you bid 2 ♥.

What do you bid after partner completes the transfer?

You show your second 5-card Major by bidding 3 ♥. Since this shows game-forcing strength (11+ points) partner may not pass, but must bid either 4 ♥ or 4 ♠. In this Deal he naturally bids 4 ♥.

If you held an even stronger hand and wished to move toward a slam you would start out the same way but then bid again

3 NT by South

South opens 1 NT. What do you respond?

Initiate the transfer by bidding 2 ♥. After partner responds 2 ♠ what do you bid?

Your bid of a minor suit here shows at least 4 cards and is a slam try. With a weaker hand you would probably just bid 2 NT or 3 NT.

Having made the try, you accept whatever partner decides. In this case, with a 15 point minimum, a doubleton ♠ and no ♣ fit, partner settles on 3 NT.
