After North's 1 ♥ opening South counts 12 HCP plus one length point for the fifth ♦. That is enough for a 2/1 response so South says 2 ♦.

The partnership is now forced to reach game so North bids 2 NT. This describes a balanced hand with exactly 5 ♥s and no 4-card ♠ suit.

South is happy to play in Notrump, and with no extra strength above the 13 points already promised, uses Quick Arrival and bids 3 NT. North passes and a reasonable game contract is reached.

Notice that you would bid this hand the same way whether or not you play 2/1.

game and North passes.

The hand would have been bid the same with or without 2/1.

South opens 1 ♥ and North, with 16 points, responds 2 ♦, forcing the partnership to game.

South has a minimum strength hand, but with a 6-card suit he rebids 2 ♥.

Opposite South's 6-card suit, North's doubleton is adequate support. If North had a minimum for her 2/1 response she might just jump to 4 ♥ to show no interest in slam. With a little extra she bids 3 ♥ since she knows the bidding cannot stop until game is reached. From North's perspective South might have a big hand; his 2-level rebid shows suit length but does not say anything about strength. This is one of the beauties of 2/1, the bidding can be kept low while you look for the best place to play. However, this time South merely bids the

With 16+ points and 3 ♥s, South will insist on a ♥ game at a minimum. But there is no need to start making jump bids, she starts with a simple 2 ♦ bid. North also refrains from a jump, and rebids 2 ♥ to show the 6-card suit.

South now says 3 ♥ to set the trump suit. At this point North reveals some slam interest, making a control-showing bid of 4 ♣. South continues the process, and bids 4 ♦, showing the ♦ A.

North has heard enough. He bids 4 NT, and when South admits to two Aces he bids the slam.

South has a minimum 1♠ opening bid. After West's 2♦ overcall both South and North know that the 2/1 Game Force is no longer on. North can therefore bid 2♥, showing at least 11 points. This bid is forcing on South for 1 round, but not forcing to game.

South next rebids his ♠s, promising a 6-card suit, but also indicating a minimum strength hand! Since the Game Force is not on, South would have to make a jump bid to show extra strength.

North has nothing further to say so the partnership arrives in a safe contract.
