4 ♥ by North			

You dealt this hand. Decide what you would bid, then on BID above.

You only have 20 points, but you have 9 playing tricks. You have two choices, open 4 ♥ or open 2 ♣. Usually 4 ♥ would show a slightly weaker hand than this, so you bid 2 ♣. Partner responds 2 ♦. What do you bid next?

Of course you bid your 8-card suit. But no jumping, just bid 2 ♥. Partner now says 2 NT. What do you bid next?

Partner has between 3 and 7 points. Somewhere in those points might be the one trick you need, but you don't have any scientific way of finding out. So just bid 4 ♥ and hope.(There it is, the ♣T.)

Decide what you would bid, then on BID above.

With 7 points you must bid a Negative 2 ♦. Partner now bids 2 ♥. What is your bid?

For someone who made an initial Negative response you have quite a good hand. You can't support partner's ♥s (yet) but you consider jumping to 3 NT. All in all it is better to just describe your hand with a 3 ♦ bid, then wait and see what partner says. You don't have to wait long since he bids 3 NT which you pass.

You dealt this hand. Decide what you would bid, then on BID above.

With 22 points you should open 2♣. Partner responds 2♦. What do you bid next?

You have 22 points and 5-card Major suit. Your rebid is therefore 2♠. Partner raises to 4♠. His jump to game shows a weaker hand than a 3♠ bid would so you pass.

Decide what you would bid, then on BID above.

You have 6 points and bid a Negative 2 ♦. Partner now bids 2 NT. What is your bid?

Partner has a balanced 22-24 points. With your 6 you want to be in game, but which game; 3 NT, 4 ♥ or 4 ♠? You can't answer that question unless you know if partner has a 4-card Major suit. So you bid 3 ♣, which is Stayman in this case. Partner replies 3 ♥. What do you say?

Knowing of the 4-4 fit you bid 4 ♥. By the way: Partner knew your 3 ♣ bid was not the Second Negative because you don't use Second Negative following a 2 NT rebid, you just pass.
