3 NT by North

Lead: ♠ 7

The bidding has been as shown. Partner led the ♠ 7, dummy played the ♠ 3 and it is your play.

When you have made your choice

Partner has led a small card, so it is surely fourth-down. That means you should automatically apply the Rule of Eleven.

11 minus 7 equals 4, so there are just 4 cards higher than the 7 between dummy, you, and declarer. AND YOU CAN SEE ALL FOUR OF THEM.

Declarer has no card that can beat the ♠ 7, and the only way you can beat this contract is to let partner's ♠ 7 hold the trick. He will continue the suit, allowing

you to pick up dummy's ♠ K and four ♠ winners. Along with the ♦ A you will defeat the contract.

If you play ANY card except your ♠ 2 on the first trick you will not be able to win four tricks in the suit because you cannot get East back into the lead. And declarer will make the contract easily.

4 ♠ by East

Lead: ♥ 8

The bidding has been as shown. West's 2 ♥ bid shows good ♠ support with at least 10 points.

Partner led the ♥ 8, dummy played the ♥ 6 and it is your play.

When you have made your choice

Partner's ♥ 8 lead is a high spot card, either top-of-nothing, or a singleton or doubleton. He definitely does not have an honor, which means that East holds ♥ A Q J.

In other words, your ♥ K is dead in the water. BUT, if you play it to this trick you hand East three ♥ tricks, while if you play a low ♥ he can only get 2 winners in the suit.

The extra winner would permit East to discard 2 of dummy's ♦ losers, and this would give East the contract.

3 NT by South

Lead: ♥ Q

The bidding has been as shown. Partner led the ♥ Q, dummy played the ♥ 4 and it is your play.

When you have made your choice

Admittedly you have a terrible hand. But that's no reason to be careless. YOU can beat this contract, but you have to do it right now by unblocking the ♥ K. If declarer holds up you will continue with your ♥ 7 and partner will establish his suit while he still has the ♣ A for an entry. If declarer doesn't hold up it will be just as bad for him.

But suppose you say "Well, partner's ♥ Q is just as good as my ♥ K so I'll just save the King for later" as you play low. Declarer will love you. He will hold up on the ♥ Q, then again on trick two when you

play the ♥ K. AND HE WILL STILL HAVE HIS ♥ A when you switch to another suit. He will have time to drive out the ♣ A while he still has ♥s stopped.

It was a good thing you held the ♥ K rather than declarer, but it is a nuisance that you must get out of the way on the very first trick.

♠ A Q J 10 7
 ♥ A 5
 ♦ K 4 2
 ♣ A J 2

The bidding has been as shown. Partner led the ♥ 2, dummy played the ♥ A and it is your play.

When you have made your choice

You know partner has a 4-card ♥ suit, (he led the deuce), and you know it is headed by an honor. You hope the honor is the ♥ J, but in any case you must get your high ♥s out of the way.

Declarer will probably come to his hand and then take a ♠ finesse. You win the ♠ K, take your other high ♥, then lead your ♥ 3 toward your partner.

As you see, partner did hold the ♥ J 9, so your side wins 3 ♥ tricks.

If declarer played low on the first trick you would win the ♥ Q, then play the ♥ K to dummy's ♥ A.
