The bidding has been as shown. It is your bid. What do you say?

Partner's double promises 4 cards in at least one of the Majors. You certainly hope it is ♥s. You bid 2 ♥ and partner raises to 3 ♥. What do you bid next?

Once partner confirms he has the ♥s you can revalue your hand to 17 points. This gives you enough extra to accept partner's invitation. You bid 4 ♥.

The bidding has been as shown. It is your bid. What do you say?

You have the special hand, 4-4 in the Majors, so you make a Negative Double. Partner replies 1 ♠. What do you say?

Partner has a minimum opener with 4 ♠s. You have a minimum response with 4 ♠s. Pass and be grateful the opponents aren't bidding.

The bidding has been as shown. It is your bid. What do you say?

Sometimes using Negative Doubles seems like you can read minds. You know for sure that partner has 4 ♠s since that is the only unbid Major. You know for sure that partner has T+ points because he made a Negative Double of a 2-level overcall. So you conclude that your side has 8 ♠s and 27+ points . . . . and you bid 4 ♠.

The bidding has been as shown. It is your bid. What do you say?

The general guideline for a Negative Double when both Majors are unbid is that you must have 4+ cards in at least ONE of the Majors. But for this specific sequence, 1♣ - 1♦, you do not double unless you have BOTH Majors. When you have only one of them you just bid it. Like this hand. You bid 1♠. Partner rebids 1 NT. What do you say?

Partner has a minimum hand and fewer than 4 ♠s. A good time for you to pass.

The bidding has been as shown. It is your bid. What do you say?

Partner has T+ points, a ♠ suit and fewer than 3 ♥s. Doesn't this look like the perfect hand to pass for penalties? Yes.

The bidding has been as shown. It is your bid. What do you say?

This is one of the nicer parts of Negative Doubles. When the bidding is 1 ♣ - 1 ♦, a double by you promises both Majors. It's like you are allowed to bid both suits at once, 1 ♠ ♥. So you double and partner says 1 NT. It is your bid.

Partner doesn't have 4 of either Major. But he does have 13 points and ♦s stopped. You also have 13 points so you bid 3 NT.
