Would you really bid over 1 NT with only 5 HCP? In the balancing seat you should. Partner is marked with a pretty good hand, and you have a 6-card Major suit.

You do bid just 2 ♠ though, rather than a double followed by 2 ♠, which would show a stronger hand. Everybody passes.

2 ♠ by East			

You would have opened 1♦ but after North opens 1 NT you must pass.

Partner bids 2 ♥ in the balancing seat.

The 2 ♥ bid shows ♥s and ♠s.

You have absolutely no preference between the two suits. But you do have a preference as to where the opening lead will be coming from - you'd like South to have to lead through North's strength. Besides you feel like playing the last hand so you say 2 ♠ and everybody passes.
