The bidding has been as shown. It is your bid. What do you say?

With the two lowest unbid suits you bid 2 NT. Partner jumps to 4♦. What do you bid?

Partner probably has a good hand, but he might just be preempting. Assuming he is inviting you to bid game you have a tough decision. You are not very strong but you might have been a couple of points weaker. It is strictly a judgement call and we decide to pass.

As you can see, IF they open the lead with a ♣, and IF the ♥ finesse then works, you can make 5 ♦.

The bidding has been as shown. It is your bid. What do you say?

As you have figured out by now, using Michaels Cue-Bids / Unusual Notrump is sometimes hard to tie down. Here you have 13/14 points and if you figure partner for 9 that won't be enough for game. But, those two Minor Aces are worth a lot when you figure partner has only 3 Minor suit cards.

So let's say you decide to just invite with 3♠. Partner takes you to game.

You will surely make this game if trumps split 2-2. If they don't then you will have to hope for a defensive mistake.

The bidding has been as shown. It is your bid. What do you say?

With 5 cards in the "other" Major and a 5-card Minor you bid 2 ♠, Michaels of course. Partner bids 2 NT. What do you say next?

Is it possible that partner wants to play Notrump? Not at all. He hates ♥'s and wants you to bid your Minor suit. So you say 3 ♦ and he passes.

5♦ by South

The bidding has been as shown. It is your bid. What do you say?

Partner asked you to choose between ♥s and ♦s so you bid 3♦. He then raises you to 4♦. What do you bid?

If you say to yourself "I only have 7 HCP" then you might pass. But if you say "Partner invited me to bid game, even though I might have no points and only 3 trumps. I'm a lot better than that.", then you will accept the invitation. So you bid 5♦ and everybody passes.

4 ♠ by North

The bidding has been as shown. It is your bid. What do you say?

With 5 cards in the "other" Major and a 5-card Minor suit this looks like an ideal Michaels Cue-Bid, right? No, not really. While it would not be a capital offense to bid 2 ♥ here, it generally works out better with 13-16 point hands to just overcall in your higher-ranking suit. You bid 1 ♠. Partner responds 2 ♥. What do you bid?

Partner's cue-bid shows a limit-raise or better in ♠s. So you bid 4 ♠ without the blink of an eye.

The bidding has been as shown. It is your bid. What do you say?

Partner is 5-5 in ♠s and one of the Minor suits. Forget ♠s, you want him to bid the Minor. So you bid 2 NT. Partner says 3 ♣.

Partner only made a minimum bid, so you have no choice but to pass.
