6 ♥ by North			

It is your bid.

Partner's 3 ♠ bid is a Splinter, showing a singleton ♠, good trump support, and 13-16 points. You bid your first-round ♣ control, and partner replies with 4 ♦. What do you bid next?

There isn't really anything else you want to know. You think you can make slam so you bid 6 ♥.

6 ♥ by South

It is your bid.

You have a perfect Jacoby 2 NT raise. Partner's rebid is 3 ♥. What is your next bid?

When partner shows an above average opener it is your duty to make a control bid if you can. So you bid 3 ♠. Partner now bids 4 NT and it is your turn.

This is Blackwood. You respond 5 ♥ for two Aces and partner bids the slam.

7 NT by North

It is your bid.

Partner has at least opening hand and he has 4 ♠s. There is only one thing you need to know - how many Aces he has. You bid Blackwood 4 NT and he responds 5 ♠. What is your next bid?

The three Aces does it for you. You can count 7 ♠ tricks, 3 ♥ tricks, 2 ♦ tricks and 1 ♣. That is 13 total so you go ahead and bid 7 NT.

6 ♥ by South			

It is your bid.

You have an opening hand with four of partner's Major suit so naturally you want to force to game. Although you could bid a Jacoby 2 NT, the presence of the singleton ♠ makes a Splinter Bid more attractive. So you double-jump to 3 ♠. Partner now bids 4 ♣. What do you say next?

Partner's 4 ♣ bid is control showing, and indicates he is thinking slammish. You bid 4 ♦ showing your control and partner bids 6 ♥.

As you can see, South should make 12 tricks by discarding one ♣ loser on your ♦ A.
