6 NT by South

South opens 1 NT. What do you respond?

You have a very big hand. Enormous. But you also have two 4-card Majors, so the first step is Stayman. You bid 2♣ and partner replies 2♦. What do you bid next?

You have 18 points and partner has 15, 16 or 17. Your total is between 33 and 35. You have enough POINTS for a small slam, not enough for a grand. You have no Major suit fit, and are happy to play notrump.

There is a lot to be said for bidding 6 NT immediately. You could ask for Aces if you like but whether partner shows one or two isn't going to change your decision. Be bold.

6 ♥ by South

South opens 1 NT. What do you respond?

You have another big hand. And with a 4-card Major you start with 2 ♣. Partner answers 2 ♥ and it's your turn again.

What with your singleton ♠ you certainly have enough points for slam. But since it's possible partner has only one Ace you check with Blackwood. Partner says 5 ♥ and you say . . . What?

Missing one Ace you bid 6 ♥.

South opens 1 NT. What do you respond?

This may go against your instincts, but if you're going to play Stayman then you should follow the rules. Granted that you have a great ♠ suit, you also have 4 ♥s. And when you have a 4-card Major you use Stayman. You bid 2 ♣ and partner says 2 ♥.

That is why you used Stayman - to uncover a 4-4 Major suit fit. Having done so you know that you will play in ♥s and you have enough points to bid game. You bid 4 ♥.

North opens 1 NT. What do you respond?

Yes, this is the same hand as Deal 8. Again you bid 2 ♣. This time partner says 2 ♦.

You need to describe your hand clearly to partner with this bid. You want to show a game-forcing hand (11 points or more) with 4 ♥s and 5 ♠s. You do that by now jumping to 3 ♠.

If partner had just 2 ♠s he would have bid 3 NT. Since he has 3 ♠s he bids 4 ♠.

losers on your ♥ suit.

Even when you hold a 6-card Major, if you have 4 cards in the other Major you use Stayman. Partner answers 2♠. What do you bid?

You've found an 8-card Major fit and you know there are enough points for game. So you bid 4♦.

Yes, but you already knew you had an 8-card ♥ fit since partner's 1 NT promised at least 2 ♥s. In fact, you could play game in either Major. However, it is often better to play in a 4-4 fit rather than a 5-3 or 6-2. This hand shows why. Played in ♥s you will make exactly T tricks with any opening lead. Played in ♠s you will again make T tricks when the defenders start with their 3 ♣ winners. If they start with anything else you are very likely to make 1 or 2 overtricks by discarding dummy
