The bidding has been as shown. It is your bid. What do you say?

With two 5-card Majors of course you bid 2♦.  
Partner responds 3♣. What do you say now?

This wasn't according to your script. Partner was supposed to choose a Major. The reason he didn't, of course, is that he didn't like either one and figured you would be better in ♣s. So you pass.

The bidding has been as shown. It is your bid. What do you say?

You don't have a great hand but you DO have 4 ♠s. So don't let the opponents have a 3-level contract when your side has 9 ♠s. Bid 3♠.

Note: See the Law of Total Tricks Lesson on this topic.
