4 ♠ by South

You have 13 points and you respond 1 ♠. Partner rebids 2 ♣. What is your next bid?

You have ♦s stopped, and with your 13 points you might well jump to 3 NT. And while you may end up at 3 NT it can't hurt to find out if partner has 3 ♠s first. So you bid 2 ♦, FSF.

Partner says 2 ♠, telling you he has three of them, and you bid 4 ♠.

4 ♥ by South

You are the dealer.

You have 15 points and you open 1 ♣. Partner responds 1 ♥.

Show your 4-card Major, bid 1 ♠. Partner says 2 ♦.

This is FSF, asking you to further describe your hand. Since you have 3 ♥s you will naturally let partner know that. But, your hand is so good you should jump to 3 ♥. Remember that partner may be bidding with only 12 points.

He was pretty weak, but with your jump finds enough to say 4 ♥.
