**Baker Cue-bid 6**

Partner has a limit raise or better in ♥s, 11 points or more.

You, however, have a bare-bones minimum. So you rebid a minimum 3♥, which partner passes.

**Baker Cue-bid 7**

You have 14 points in support of ♠s; however, partner's overcall does not promise more than 9 points or so.

So you cue-bid 2♥, showing a good hand with support and forcing partner to bid again. Partner bids 3♠. What do you say?

4♠. Partner's jump shows a good overcall, but not enough strength to insist on game when you might have only 11 points. You have plenty extra so you bid the game.

**Baker Cue-bid 8**

Partner has a limit raise or better in ♠s, 11 points or more.

There is only one thing you want to know now - how many Aces partner holds. So you bid 4NT to find out. Partner responds 5♥. What do you say?

You know you have a loser. Bid 6♠.

**Baker Cue-bid 9**

You have 12 points in support of ♥s; however, partner's overcall does not promise more than 9 points or so.

So you cue-bid 2♣. Since the opponents have bid two suits you can cue-bid either one of them, so you usually pick the one you have the most strength in. Partner bids 2♥. What do you say?

Pass. Partner had a minimum overcall so he made a minimum rebid.

## Baker Cue-bid 10

You have about 15 points in support of ♥s so you cue-bid 3♣, showing a limit raise or better and forcing partner to bid again. Partner bids 4♥. What do you say?

5♣. Partner's jump shows a good hand and you have more than you have promised so far. This cue-bid is a different type, showing first round control in ♣s, Ace or void. That was apparently what partner wanted to hear since he went right to slam.
