2♥ by South			

You dealt this hand. Decide what you would say, then BID above.

With 13 points you will open. You cannot bid 1♥ with only 4 of them, so you say 1♦. Partner responds 1♥ and it is your bid again.

Partner's response is forcing. He might have anywhere from 6 points to about 17. With a minimum opener and 4-card support for his Major suit you bid 2♥. Partner passes.

1 NT by South

partner's 1 NT bid DENIES a 4-card Major suit. And third, partner probably has something in ♣s since he has no 4-card Major and also didn't feel like supporting your ♦s.

So you pass and hope for the best.

You dealt this hand. What do you bid?

You are not strong enough to open 1 NT, but too strong to pass. You bid 1♦. Partner responds 1 NT. What do you say next?

You are not strong enough to open 1 NT, but too strong to pass. You bid 1♦. Partner responds 1 NT. What do you say next?

With that small doubleton in ♣s it is very tempting to rescue partner from 1 NT by bidding 2♠. There are three good reasons why you don't. First, bidding 1♦ followed by 2♠ is a REVERSE, which shows a strong hand, perhaps 16-17 points or more. Second, and even more important,

4 ♥ by South			

You dealt this hand. What do you bid?

The ♥ and ♠ suits look really good, but neither of them are 5 cards, so you open 1♣. Partner responds 1♥. What is your next bid?

Partner's bid shows 6-10 points and at least 4 ♥s. Since you now know there is an 8-card Major suit fit you revalue your hand, adding 2 more points for the singleton ♦.

That gives you 20 points; add partner's 6-T and you have enough for game. She who knows, goes, so you bid 4 ♥.

West	North	East	South
	1 ♣	Pass	1 ♠
Pass	3 ♠	Pass	4 ♠
ALL	Pass		
4 ♠ by South			

You dealt this hand. What do you bid?

You have the right strength but the wrong distribution to open 1 NT. So you bid 1 ♣. Partner responds 1 ♠. What do you say next?

With partner's ♠ bid giving you a fit, your hand revalues to 18 points. If partner has only 6 or 7 points there is not enough for game, but if he has more than that then you should bid game.

When you are in-between like this you just invite. So you jump to 3 ♠. This tells partner to bid game if he has more than the minimum for his bid. He has 9 revalued points, so he bids 4 ♠.
