Partner's bid means he has first round ♥ control, obviously the ♥ A. But it also denies holding the ♦ A since control bids are made up-the-line. You show your lack of a Minor suit Ace by returning to 3 ♠. Partner signs off at game.

You could equally have just bid 4 ♠ yourself.

With opening hand and 4-card ♠ support this is an ideal Jacoby 2 NT response. Partner says 3 NT.

West has some extra strength and a 5-card ♠ suit. This is the point in the bidding where you would make a control bid, showing an Ace. Well, you would if you actually had an Ace. The way you indicate your lack of a control is to just return the the agreed trump suit. So you bid 4 ♠ and partner passes.

Partner's 4 ♣ bid is control showing, and indicates he is thinking slammish. You bid 4 ♦ showing your control and partner bids 6 ♥.

When the opponents interfere, Jacoby is off. Now a cue-bid response by partner shows a hand with good trump support, and a limit raise or better in strength. So partner might have a game forcing hand, but also might have only 11 points.

It is your bid.

You have a great hand, but no singleton to show. Since you have a 6-card ♥ suit you bid 3 ♥. Partner replies 3 ♠. What do you bid?

Partner has control-bid the ♠ A. He may also have one or both of the Minor Aces since he would have bid the cheapest control first. You use Blackwood. He replies 5 ♦. What do you bid?

Oops. Despite all the points you are missing two Aces. So you thank Mr. Blackwood and sign off at 5 ♥.

It is your bid.

You don't want to make a Splinter Bid with a singleton King so you content yourself with a Jacoby 2 NT bid. Partner rebids 4 ♦. What do you say next?

The 4 ♦ bid shows a 5-card ♦ suit. What you need to know now is how many Aces partner has. You bid 4 NT and he answers 5 ♥. What do you say?

He has two Aces so you bid 6 ♠.

It is your bid.

With 18 points you want to show your extra strength. Since you have only 5 trumps you show the strength by bidding 3 NT. Partner then bids 4♣. What do you say next?

Now is the time when YOU would make a control bid. And if you had either red Ace you would do so. Since you don't have one, you have no option but to say 4♣. Partner recognizes that you are off those two Aces and passes.
