4 ♥ by North

With 14 points you will insist on game, but you aren't strong enough to jump shift. So you bid 1 ♥. Partner rebids 1 ♠.

Partner shows nothing extra. All you know now is that he doesn't have 4 ♥s. You know you want to be in game, but you aren't sure which game. If partner has 3 ♥s then 4 ♥ would be good. If not though, 3 NT would be good if he has a ♦ stopper. The way to find out what he has is with Fourth Suit Forcing. So you bid 2 ♦. Partner answers with 2 ♥.

Partner tells you he has 3 ♥s. You bid the ♥ game.

S	E

You are the dealer.

With 13 points you open 1 ♦. Partner responds 1 ♥.

Partner might be 4-4 in the Majors so you bid 1 ♠. Apparently he wasn't since he says 2 ♣.

This is Fourth Suit Forcing and partner may or may not have a ♣ suit. You do not have 3 ♥s. You do have a ♣ stopper, so with a minimum hand you bid 2 NT and partner passes.

3 NT by South

You are the dealer.

You open your 5-card suit, 1♦. Partner responds 1♠.

You might bid 1 NT, but since you have a singleton you prefer to say 2♣.

Partner bids 2♥. What do you say?

This is Fourth Suit Forcing and partner is fishing for more information. You certainly don't have 3 of his ♠s so that is out. On the other hand, you have a double stopper in ♥s, so with 14 points you go right to 3 NT.
