Pass	2 ♥	Pass	3 ♦
Pass	3 NT	Pass	Pass
3 NT by North			

North opens 1 ♠, his 5-card Major. South, with 14 points, responds 2 ♣, a 2/1 force to game.

North next bids 2 ♥, showing the other Major suit.

South assumes North to be 5-4 in the Majors, so she cannot support either. She cannot bid 2 NT without a stopper in ♦s. So South bids the fourth suit, 3 ♦, telling North she knows she must make a bid, but can't find anything appropriate.

North now must find a bid. His choices include rebidding the 5-card ♠s, supporting South's ♣s with a doubleton Queen, or bidding 3 NT with the ♦ K 6 as a stopper. He chooses this last option. It appears that 3 NT is the best game for these two hands.

way of a finesse. But the best way to play the hand would be to try to establish a ♠ in the West hand, and if that fails try the ♣ finesse.

West opens 1 ♠, her 5-card Major and East responds 2 ♥. West knows this is a 5-card suit, and bids 3 ♥, confirming the 8+card trump fit.

Once the trump fit is known, East revalues his hand to about 19 points. He makes a slam try with a control-showing bid of 3 ♠. He knows West won't take this as ♠ support since the partnership has agreed that ♥'s are going to be trumps.

West now shows her control by bidding 4 ♣.

That was what East needed to hear; when Blackwood uncovers two Aces he bids 6 ♥.

The slam is a good one. If either the ♠ Q or ♣ K is right there are 12 tricks by

♣ Q 7

South opens 1 ♥ and North responds 2 ♣. Using standard bidding South would now jump to 3 NT to show his 19 points, but in 2/1 this is not necessary since the partnership must not stop bidding until game is reached. So South just bids 2 NT. North shows her minimum by bidding 3 NT.

South will now disclose his extra strength. He bids 4 NT. This is not Blackwood, but rather a quantitative raise in Notrump, and an invitation to slam.

North has 15 points, and they are good ones. She accepts the invitation and bids 6 NT.

There are 11 top tricks. A 3-3 ♥ split would provide the 12th winner, but this is against the odds. Better to try two ♠

finesses, a 75% chance.

4 ♠ by West			

West opens 1♠ and East responds 2♦. West has a pretty good hand, 17 points, but no stopping power in the minor suits. Also, West's ♠ suit is pretty ragged. Taking these points into consideration, West should just rebid his 6-card suit.

East should now jump to 4♠. This is Fast Arrival, indicating a minimum hand with no particular interest in slam.

West is happy to rest in the game contract.

Even with a combined 30 points, T tricks are certainly not a sure thing. West must hope that South holds the trump King.
