Pass	Pass	Pass	
3 NT by North			
Lead: ♥ 9			

The bidding has been as shown. The contract is 3 NT and it is your lead.

When you have made your choice

Your ♣s are so good that all your instincts tell you to lead the ♣ 8, and perhaps set up 3 winners.

If you had one more small ♣s your instincts would be right, but with only a 4-card suit you should think a little longer. Three tricks won't set this contract, so you must depend on partner winning something. And if partner is going to win something perhaps he will lead a ♣ and you might make FOUR tricks in the suit.

suit when he gets the lead. Note that although this lead finesses partner's ♥ Q, it didn't do anything that declarer wouldn't have done on his own.

Declarer must play ♦s to get some winners, and when West takes the ♦ A he will surely switch to the ♣ J. Down goes declarer.

Pass	Pass	Pass	

4 ♠×× by East
Lead: ♠ A

The bidding has been as shown. The contract is 4 ♠ doubled and it is your lead.

When you have made your choice

East's 2 ♠ bid is a Weak-jump Overcall, based on a 6-card ♠ suit and a weak hand.

Either the ♦ Q or ♥ J would normally be good leads.

But on this deal West/East have clearly sacrificed against your almost certain ♥ game. Since they don't have enough high-card strength to make this contract declarer is hoping to get some ruffs.

The way to cut down the number of ruffs he can make is to lead a trump at every opportunity.

So take the ♠ A and then play another ♠.

Declarer will still be able to ruff one ♥ in dummy, but will be left with two losing ♥s and will be down 2. Without the two trump plays he could have ruffed all three of his ♥ losers and actually made the contract.

S

The bidding has been as shown. The contract is 3 NT and it is your lead.

When you have made your choice

Sometimes it comes down to just this kind of choice. Do you lead fourth down from ♠ K 8 7 3 or from ♥ Q T 7 3.

The presence of the ♥T bolsters the ♥ suit enough to give it the edge.

The suits could be arranged something like shown at left. With a ♠ lead the presence of the ♠T in dummy allows declarer to make a second ♠ trick, which happens to be declarer's ninth trick.

But when you lead the ♥ 3 it does not promote a ♥ winner for declarer, and left to his own devices, he cannot establish

the ♠ winner.

6 ♠ by West

Lead: ♥ 3

The bidding has been as shown. The contract is 6 ♠ and it is your lead.

When you have made your choice

The ♣T would probably be a very safe lead. But you don't want "safe", you want "attack".

Dummy has advertised a long, strong ♦ suit which declarer will no doubt establish for discards.

It is important for your side to create a winner before your ♦A is forced out. The most likely looking winner is your ♥K. So lead the small ♥ and hope partner has the Queen.
