Baker DONT 6

Partner's double asks you to bid 2♣ as a relay bid so he can name his suit.

But you don't want him to bid his 6-card suit, your hand is useless unless ♠s are trumps. So ignore the relay request and bid 2♠. Everybody passes.

**Baker DONT 7**

In the balancing seat it is distribution that counts, not point count. With a 6-card Major suit and a singleton you should not let them play 1NT. You double.

Partner makes the relay bid of 2♣.

You bid your suit, 2♥, and everybody passes. Notice that partner had a decent hand, but could not bid over 1NT in the immediate seat.

**Baker DONT 8**

You don't have a 6-card suit, nor do you have a 5-4 pair of suits. So even with a singleton you don't want to use DONT here. So you pass.

Partner makes a DONT double in the balancing seat.

Right now you probably have a premonition about what is going to happen next. But there really is nothing you can say other than 2♣.

Your premonition came true. Partner passes and you are left playing 2♣ with a singleton. Nobody promised that DONT would always get you to a good contract.

**Baker DONT 9**

You only have 8 HCP but with such a good 6-card suit you should interfere with a DONT bid. You double and partner surprises you by saying 2♥.

There is a reason partner didn't say 2♣ (which you were going to pass). And the reason is that he figures you will be better off in his ♥s. Since you trust your partner you pass.

**Baker DONT 10**

Since partner has entered the bidding in the immediate seat he should have a pretty good hand, with 9+ cards in ♥s and ♠s.

Usually you are happy to settle for partscore after a DONT sequence, but with such an excellent fit for ♥s your hand is worth a raise.

So you bid 3♥ and partner says 4♥.
