6 ♥ by South			

Your 2 ♥ bid is a Reverse, showing 17+ points.

There has been no agreement on trumps, so you assume that North has implicitly agreed to ♥s. So you respond 5 ♣, showing 4 Key-Cards, three Aces and the ♥ K. Partner next bids 5 ♦. What do you say?

5 ♦ is the Queen Ask. Partner obviously is thinking about a Grand Slam and wants to know whether you hold the trump Queen (♥ Q). Since you do not have the card you return to the agreed trump suit at the lowest level - which is 5 ♥. Partner now bids 6 ♥.

The bidding has been as shown. Yes, you could have jump-shifted on your first bid. Decide what you would say next, then on BID above.

Slam in ♥s is almost certain, but you should check for Key-Cards. You bid 4 NT and partner says 5 ♣. What do you bid next?

Partner shows 1 or 4 Key-cards. Since he jumped on the second round you figure it must be 4. So you have all the Key-Cards. Time to find out about the other Kings, so you bid 5 NT. Partner replies 6 ♦. What do you bid?

Partner has 1 King, the only one left, the ♦ K. You can count about 17 high-card tricks available so you bid 7 NT.

Your 3 ♠ bid is a Splinter, agreeing ♥s as trump, and showing opening hand strength with a singleton or void in ♠s. Decide what you would say next, then on BID above.

</table>

You have one Key-Card, the ♥ A. You also have a ♠ void, but since bidding 6 ♠ would take you above the 6 ♥ level you just respond 6 ♥. Partner will deduce that your void is in ♠s, particularly because you Splintered in that suit. Partner passes your 6 ♥ bid.

7 ♠ by South			

Partner's 4 ♦ bid is a Splinter Bid. It shows opening hand strength, at least 4-card ♠ support, and a singleton or void in ♦s. Decide what you would say next, then on BID above.

Normally you would not ask for Key-Cards with this ♦ holding. But since you know partner has at most a singleton, and that it is not the singleton ♦ A, you are safe to do so. You say 4 NT, partner replies 6 ♦. What next?

WOW! Partner has one Key-Card and a ♦ void. So the Key-Card is the ♠ A. You don't know what the rest of partner's hand is, but he can surely take care of that small ♣. You bid 7 ♠.

7 NT by South

Your 2 NT response shows 8+ points, with no 5-card biddable suit. Decide what you would say next, then on BID above.

You support the ♦s and partner bids 4 NT. What is your next bid?

With ♦s as trump you have 1 Key-Card, the ♥ A. You answer 5 ♣ and partner bids 5 ♥. What is your bid?

This is the Queen Ask, wanting to know if you hold the ♦ Q. Since you do have it you should bid a suit in which you hold a King. So you bid 5 ♠. That spurred partner on - he was fishing for 7 ♦ but when you told him you had the ♦ Q, ♥ A and ♣ K he was able to bid 7 NT.

6 ♥ by South

Partner's 2 ♥ is a positive response, 8+ points with a 5+ card suit. Decide what you would say next, then on BID above.

Even though it is tempting, bidding RCKB now would be a mistake because of your doubleton ♠ loser. Instead just support the ♥s. Partner cannot pass, you both know you are forced to game. In fact, partner bids 3 ♠. What do you bid next?

Partner promises first round ♠ control so NOW you can bid RCKB. When you bid 4 NT partner answers 6 ♥. This shows 1 Key-Card and a void in a suit higher than ♥s. Knowing you are missing either the ♦ A or ♥ K you pass.
