6 ♥ by North			

Your partner's 3 ♥ is a limit-raise, 11-12 points with ♥ support. Decide what you would say next, then on BID above.

What you want to know is whether partner holds the ♠ A. If you bid 4 NT and he shows two Key-Cards all will be well, you will know they are the two missing Aces. But if he shows just 1 Key-Card you will be in the soup since you can't tell if that Key-Card is the useful ♠ A or the practically useless ♦ A. So you don't use RKCB, you use control-showing and bid 4 ♣. Partner says 4 ♥. What do you bid next?

Partner would have control-bid ♦s if he had the Ace. You may not think that helps but it does since now you can bid RKCB. You bid 4 NT and he answers 5 ♣. What is your next bid?

It was a lot of work but you have figured out that partner holds 11-12 points including one Key-Card which must be the ♠ A. It looks like the slam is a good idea so you say 6 ♥.

Your 4 ♦ bid is a Splinter Bid, showing opening hand strength, at least 4 ♠s, and a singleton or void in ♦s. Partner bids 4 NT.

You have 2 Key-Cards, the ♠K and the ♣A. So do you bid 5 ♥?

No. You have two Key-Cards AND a void. So you bid 5 NT. Partner bids 6 ♠.

5 ♥ by South

Your partner's 2 NT opener is 20-21 points and the 3 ♣ bid is Stayman. Decide what you would say next, then on BID above.

You know of 33 points and you know of an 8-card ♥ fit. The math tells you that 6 ♥ should be a good slam but you might as well check Key-Cards, that's why the convention was invented. So you bid 4 NT and partner answers 5 ♥. What do you say?

You say "Darn!" You are missing just one Key-Card, but you are also missing the trump Queen. And with partner holding only a 4-card suit that Queen might well win a trick. Knowing that at best the slam will depend on a trump finesse you pass 5 ♥.

With 11 points and a good suit you should make a positive response. So you bid 2 ♥. Partner then says 4 NT. What is your bid?

The 4 NT bid agrees ♥s as trump. You have one Key-Card, the ♥ K, so you bid 5 ♣. Partner bids the ♥ slam.

The bidding has been as shown. Decide what you would say next, then on BID above.

Your partner has shown a minimum opening hand, but with 6 ♠s. You are happy with the 8-card trump fit but need to know about Key-Cards. So you bid 4 NT. Partner answers 5 ♠ and it is your bid again.

Partner has two Aces and the ♠ Q. That should be all he needs to make slam so you bid 6 ♠.
