2♠ by South			

The bidding has been as shown. It is your bid. What do you say?

A perfect Michaels example; 5-5 in the Majors and 9 points. You bid 2♦ and partner says 2♠. What do you bid next?

You have a rather minimum Michaels type hand and you asked partner to choose a Major suit. He chose ♠s. But don't start thinking about what great support you have for his ♠ suit, he doesn't HAVE a ♠ suit, he is just supporting yours. In other words, you pass.

The bidding has been as shown. It is your bid. What do you say?

You have a fair hand with a guaranteed 8-card fit in either Major. You are not, however, strong enough to jump the bidding. So you bid 2♥, which is passed out.

The bidding has been as shown. It is your bid. What do you say?

You have a pretty good hand for an Unusual Notrump, but not so good that you wouldn't use the convention. You bid 2 NT and partner says 3 ♣. What do you say next?

As mentioned, you have a pretty good hand, but partner only bid because you forced him to and he showed nothing more than minimum. So you pass.

1 ♠	2 NT	Pass	3 ♦
Pass	Pass	Pass	
3 ♦ by South			

The bidding has been as shown. It is your bid. What do you say?

Your best suit is ♦s. But partner didn't ask you to bid ♦s, he asked you to pick a Minor. You know you will have an 8-card fit in ♦s so you take the safe approach and bid 3 ♦. Everybody passes.

The bidding has been as shown. It is your bid. What do you say?

Of course you bid a Michaels Cue-Bid of 2 ♠. Partner says 4 ♥.

Partner's jump might indicate he has a really good hand, or he might just have a really good fit. You certainly don't have the strength to make another move so you pass. A good thing, too. Partner might get lucky and make this but it looks like the other guys are cold for 4 ♠. Even if partner loses 2 ♥ tricks and goes down 1 it will turn out to be a good sacrifice.
