3 NT by North			

You have 14 points and you respond 1♠. Partner rebids 1 NT. What is your next bid?

Partner has 12-14 points, balanced. You will insist on reaching game, but don't know whether 3 NT or 4♠ is going to be the best spot. It depends on whether partner has 3 ♠s. So of course you use NMF.

You bid 2♦ and partner then says 2♥. Where do you go from here?

OK, partner has a 4-card ♥ suit - may or may not have 3 ♠s. Since you don't have 4 ♥s you bid 3 NT, leaving it up to partner to correct to 4♠ if he has 3 of them.

4♣ by South

You are the dealer.

You are too strong for 1 NT so you open 1♣. Partner responds 1♠.

You don't support ♠s with only 3 cards since partner might well have just a 4-card suit. With 18 points, balanced, all suits stopped, you jump to 2 NT.

Partner says 3♦. What do you bid?

This is New Minor Forcing. Partner wants to know if you have 3♣s. Since you do have 3 you bid 3♣ and partner raises to 4♣.

6 NT by North

You have 16 points and you respond 1 ♠. Partner rebids 2 NT. What is your next bid?

Partner has 18-19 points, balanced, with 5 ♥s. You are going to bid a slam, either 6 NT or 6 ♠, depending on whether partner has 3 ♠s. Time for New Minor Forcing.

You bid 3 ♣ rather than 3 ♦ just because your ♣s are stronger. Partner now says 3 NT. What do you bid?

Partner does not have 3 ♠s. That was the information you needed, so you bid 6 NT.

3 NT by South			

You are the dealer.

You have 13 points and you open 1♦.
Partner responds 1♠.

With a minimum opener you now bid 1 NT. Partner says 2♣. What do you say next?

This is NMF, asking you to further describe your hand - and you are stuck for a bid. You do not have 4 ♥s. You do not have 3 ♠s. You do not have a stopper in either ♥s or ♣s so you cannot bid 2 NT. Reluctantly you rebid your 5-card ♦ suit.

Then you breathe a sigh of relief when partner says 3 NT.
