4 ♠ by North

With 14 points you will insist on game, but you aren't strong enough to jump shift. So you bid 1 ♠. Partner rebids 1 NT.

Partner has a minimum hand, balanced. You know you want to be in game, but you aren't sure which game. If partner has only 2 ♠s then 3 NT should be best. But if he has 3 ♠s then you would prefer to play the 8-card Major fit. The way to find out is with New Minor Forcing. So you bid 2 ♦. Partner answers with 2 ♠.

Partner tells you he has 3 ♠s. You already know he has a minimum strength hand. You bid the ♠ game.

3 NT by South

You are the dealer.

With 13 points and 4 cards in each minor suit you should open 1♦. Partner responds 1♠.

You have a minimum, balanced hand. It would not be wrong to say 2♣, but 1 NT is probably better. Partner says 2♣.

Do not support the ♣s if you have another decent bid. This is New Minor Forcing and partner may or may not have a ♣ suit. You do not have 3 ♠s. You do not have a 4-card ♥ suit. You do have a ♥ stopper, so bid 2 NT. Partner then bids 3 NT.

2 ♥ by North			

With 12 points you know game is likely, but for now you bid 1 ♥. Partner rebids 1 NT. What do you say next?

Partner has 12-14 points, balanced. If he is at the top, game could still be there, but you aren't sure where to play. If partner has only 2 ♥s then NT is probably best, but if he has 3 ♥s then you would prefer to play the 8-card Major fit. New Minor Forcing will allow partner to answer both questions for you. So you bid 2 ♣. Partner answers with 2 ♥.

Partner tells you he has 3 ♥s. But he also tells you he has minimum strength - in other words not 14 points. So you pass and accept the partscore.

4♥ by South

You are the dealer.

With 13 points you open your 4-card minor, 1♦. Partner responds 1♠.

You have a great ♥ suit, but can't bid it. A 2♥ bid here would be a Reverse and you are nowhere near strong enough. So instead you say 1 NT.

Partner says 2♣. What do you bid?

This is New Minor Forcing and your first priority is to show a 4-card ♥ suit. You bid 2♥ and partner raises to 4♥.
