4 ♠ by South

Baker Jacoby 1
It is your bid.

You open 1♠ and partner responds 2NT. What do you say next?

With a minimum hand and no singletons you bid the game immediately. Partner has nothing to add so he passes.

Baker Jacoby 2
It is your bid.

With 14 points and good 4-card support you bid a Jacoby 2NT. Partner next bids 3♥. What do you say now?

You couldn't hear much worse news. Partner has a singleton ♥ so your ♥ K J are not worth very much. You have nothing to do but return to the trump suit so you bid 4♠.

Baker Jacoby 3
It is your bid.

You have just a little extra so you bid 3♣ to show a singleton. Partner says 3♥ and it is your bid again.

Partner's bid means he has first round ♥ control, obviously the ♥A. But it also denies holding the ♦A since control bids are made up-the-line. You show your lack of a Minor suit Ace by returning to 3♠. Partner signs off at game.

You could equally have just bid 4♠ yourself.

Baker Jacoby 4
 It is your bid.

With opening hand and 4-card ♠ support this is an ideal Jacoby 2NT response. Partner says 3NT.

South has some extra strength and a 5-card ♠ suit. This is the point in the bidding where you would make a control bid, showing an Ace. Well, you would if you actually had an Ace. The way you indicate your lack of a control is to just return the agreed trump suit. So you bid 4♠ and partner passes.
