5 ♠ by North

Baker Bidpractice/Set 7 1
SOUTH's 3rd supporting bid is enough to convince NORTH to make a slam try.

NORTH bids Blackwood 4NT. If SOUTH shows one Ace NORTH plans to bid 6 but

when SOUTH bids 5 NORTH settles for 5

6♥ by North

Baker Bidpractice/Set 2

SOUTH makes a positive 3

response to NORTH's 2 opener.

This promises at least 8 points and a 5-card suit with two or more honors.

NORTH only needs to know one thing - how many Aces in the SOUTH hand.

A Blackwood 4NT tells her the answer is one, so she bids 6

6 NT by South

Baker Bidpractice/Set 7 3

When NORTH opens 1NT, point-count alone tells SOUTH that 6NT can surely be made.

NORTH is bound to hold at least two Aces. But SOUTH doesn't want to miss a Grand slam.

SOUTH bids 4 (Gerber), and NORTH admits to just two Aces.

So SOUTH settles for the small slam.

7NT by South

Baker Bidpractice/Set 7 4

SOUTH has a powerhouse and knows she will reach a slam somewhere. When NORTH

supports the ♠ it seems she has found her spot.

Blackwood tells her that NORTH has two Aces.

She can see there are 12 tricks available and decides to take a chance that

NORTH will have a thirteenth trick somewhere among his opening hand points.

She bids 7NT.
