You dealt this hand. Decide what you would bid, then on BID above.

You open with a Weak 2-Bid, 2 ♥. Partner responds 2 NT. What do you say next?

The 2 NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3 ♣. Partner now bids the game.

Decide what you would bid, then on BID above.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2 NT bid is such a great tool. In this case you bid 2 NT and partner says 3 ♥. What do you say?

Well, you weren't sure whether to take partner to game or not, so when he says he has a minimum hand you have to pass.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2 NT bid is such a great tool. In this case you bid 2 NT and partner says 3♦. What do you say?

You weren't sure whether to take partner to game or not. His 3♦ bid tells you that he has a 9-11 point opener which includes the ♦K. You couldn't hope for much more than that, so you bid 4♠.

3 ♠ by South

Decide what you would bid, then on BID above.

You have a good Weak 2-Bid but East already opened. So you just make a Weak Jump Overcall of 2 ♠. West passes and partner raises to 3 ♠. East passes. What do you say?

Pass. Partner is in charge. If he had wanted you to bid again he could have forced you with 2 NT.
