## Baker Bidpractice/Set3 7

SOUTH has 17 points and might open 1NT. But with the 5-card Major suit she prefers

to open 1 .

NORTH has excellent support but with 11 points is not quite strong enough to insist

on reaching game. Instead he makes an invitational jump to 3 which SOUTH is strong

enough to raise to game.

3NT by North

## Baker Bidpractice/Set3 8

SOUTH has a powerful hand, but 21 points is not strong enough to start with a forcing 2 bid.

Since he has balanced distribution he opens 2NT (20-21 points).

NORTH adds her 6 points to SOUTH's minimum and concludes they should be in game. She expects her

good

suit to be useful to NORTH in Notrump so she bids 3NT.

1 NT by South

Baker Bidpractice/Set3 9  
NORTH has a solid 1

opening, 14 points and five trumps.

SOUTH must respond with 8 points, but cannot bid either minor suit since he needs at least

11 points to bid a new suit at the 2-level. So he bids 1NT (6-10 points).

NORTH doesn't object to Notrump so she passes.

2♠ by North

Baker Bidpractice/Set3 10  
SOUTH has a normal 1 opening bid, 14 points and five trumps.

NORTH has good 4-card support and 7 points, so she raises to 2 ,

passed by SOUTH.

NORTH does not consider showing the

s,

first because she knows there is a fit, and second because she doesn't have

the 11 points needed to bid a new suit at the 2-level.

6NT by North

## Baker Bidpractice/Set3 11

With balanced distribution and 16 points SOUTH should open 1NT rather than 1

NORTH's response is based on simple math. He adds his 18 points to the 15 minimum that SOUTH has announced and

comes up with 33 points combined. This is enough for a small slam, and since he has balanced distribution

he bids 6NT.

3NT by North

## Baker Bidpractice/Set3 12

NORTH is right at the maximum for a 1 opening bid - one more point and he would

have opened 2 .

SOUTH does not have 3-card support but with 7 points must make some response.

She cannot bid at the 2-level so she says 1NT (6-10 points).

NORTH is fine with Notrump so he bids 3NT.
